

QUEERFEMINIST FAGGOTS AGAINST PINKWASHING AND COPS - IN BERLIN, MADRID, PALESTINE AND EVERYWHERE

From Movimiento Marika Madrid we send our love and support to the big and diverse group of queer activists in Berlin who were on the streets for a free Palestine in the Radical Queer March on July 27th. [Berlin Against Pinkwashing](#). It was an amazing job! We are with you all the way! We find it disgusting and unbelievable that the Queers For Palestine block was met with such resistance and oppression from other queers, being expelled from the rest of the demonstration, and to top it, taking it to the level of calling the cops! How can supposedly critical queers be against Palestinian liberation, and support a fascist colonialist state like the Israeli? How can queers call the cops? How can queers call the cops on a block with many migrants, refugees and POC's. Seriously? It's far beyond our imagination. To collaborate with the police to solve "internal disagreements" in the activist communities is never an option. Check your white privilege, and learn from the history.

MMM is a movement of queerfeminist faggots from Madrid. We stand in solidarity with the Palestinian struggle for freedom. Pink capitalism and pinkwashing of all kinds give us head ache, and to see the Israeli state use pinkwashing in their racist and colonialist project makes us vomit. There is nothing gay-friendly about the Apartheid wall, ethnic cleansing of the Palestinian population, or bombing Gaza. The illegal military occupation of Palestine must stop now, and BDS is the way forward! The struggle continues. We send you lots of solidarity and thoughts from Madrid.
